The Worshipful Company of Turners Charitable Trust

Trustees' report

For the year ended 31 May 2018

The Trustees present their annual report together with the financial statements of the Worshipful Company of Turners Charitable Trust ("the Trust") for the year 1 June 2017 to 31 May 2018.

Objectives and Activities

a. Policies and objectives

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit.

b. Main activities undertaken to further the charity's purposes for the public benefit

The Trust's principal aims are to promote the craft of turning and to support a range of educational, training and professional activities, often through the provision of lathes, tools and training on a long-term basis.

Achievements and performance

a. Review of activities

In support of the craft, the Trust awards prizes in the form of money, medals and certificates to successful entrants in its biennial Competitions. The next, which will take place at Carpenters Hall in November 2018, will offer prizes to a value of £8,000 across various different classes. Prizes are also awarded to young students taking part in Youth Training courses jointly sponsored by the Association of Wood Turners of Great Britain.

The biennial Bursary scheme continues to help talented turners achieve their professional aspirations and enhance their future career opportunities. Up to £10,000 is allocated between high calibre students who undertake 12 months of approved programmes of training, study and visits, and report to the Trust on their activities at the end of the year. The most recent bursaries were awarded to six successful candidates in June 2017.

The Trust also organises demonstrations and exhibitions of the Craft around the UK, bringing the Craft to the attention of the widest audience. Wizardry in Wood, the Trust's most prestigious exhibition, takes place every four years, and will next be held in 2020. During the year the Trust joined 26 other Livery Companies in support of a heritage skills festival at Lincoln Cathedral, the two-day event allowing members of the public to celebrate traditional crafts and skills.

The Trust supports educational establishments, schools and charities including those catering for young people with special needs, learning difficulties and rehabilitation requirements. It also supports the teaching of vocational skills to injured and disabled armed forces personnel. Awards are also made to help aspiring turners develop their skills at Cockpit Arts, a business incubator for craftspeople, and through scholarships awarded by the Queen Elizabeth Scholarship Trust (QUEST) crafts charity.

The Trust also supports the City of London in a variety of ways. This year it agreed to a £30,000 Sponsorship to cover a twelfth of the cost of refurbishing the twelve bells of St. Paul's Cathedral, the original cost of which was strongly supported by the Turners 140 years ago. The Trust initiated a major appeal to raise money for itself to fund this Sponsorship and its other works. A number of initiatives have, and are, taking place to raise this sum and by the year-end £24,054 had been received. Half of the committed sum has been paid to the Cathedral, the balance being paid in 2018/19.

During the year the Trust made donations, grants and awards of £52,984 (2017: £39,627). In addition, it raised £4,837 for the National Service Charities through its support of the Lord Mayor's Big Curry Lunch, and £4,010 for the Red Cross at its 2017 Christmas Fair.

The Worshipful Company of Turners Charitable Trust

Trustees' report (continued) For the year ended 31 May 2018

Financial review

a. Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the Worshipful Company of Turners Charitable Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

b. Reserves policy

It is the intention of the trustees to distribute an amount approximately equal to the income each year and to manage held investments to provide a balance between future capital appreciation and income. Reserves held at 31 May 2018 are accordingly considered appropriate and adequate to support on-going activities.

c. Results

Income is received from investments, the covenants and gifts from liverymen and from contributions from the Turners' Company. The Trust is administered by the Clerk to the Worshipful Company of Turners, whose services are charged to the Trust at the estimated cost to the Worshipful Company of Turners calculated by reference to time spent.

The result of the activities during the year was an increase in the Trust's assets of £36,917 reflecting the rise in the value of its investments, net of the balance of operating income/expenditure in the year.

d. Material investments policy

Investment powers are set out in the Trust Deed which permit the trustees to purchase and dispose of investments as they think fit and to delegate discretionary powers when they consider it appropriate. In support of the Trust's objectives, the trustees invest to maximise the amount of income generated, whilst maintaining as far as possible, the value of the portfolio.

The performance of the investment portfolio, which at the balance sheet date consisted of investments in five collective funds, has been satisfactory and in line with budget.

Structure, governance and management

a. Method of appointment or election of Trustees

The management of the Worshipful Company of Turners Charitable Trust is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

b. Organisational structure and decision making

The Worshipful Company of Turners Charitable Trust is a registered charity (No.267372) constituted by a Deed of Trust dated 1 March 1974.

The Trustees are the Master, Wardens and the Chairman of the Charity Committee for the time being of the Worshipful Company of Turners, appointed annually on Ascension Day in accordance with the Company's Charters.

The Trustees during the year are shown on page 1. Further administrative details are also set out on page 1.

The Worshipful Company of Turners Charitable Trust

Trustees' report (continued) For the year ended 31 May 2018

c. Risk management

The Trustees have assessed the major risks to which the Worshipful Company of Turners Charitable Trust is exposed, in particular those related to the operations and finances of the Worshipful Company of Turners Charitable Trust, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

The main form of financial risk faced by the Trust is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

Plans for future periods

a. Future developments

The Trustees intend to continue to pursue their objectives of promoting the craft of turning through the Trust's biennial Competitions and Bursary awards, through exhibitions including Wizardry in Wood, and through the provision of training and education, particularly of young people.

Trustees' responsibilities statement

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, on *6 November 2018* and signed on their behalf by:

Mr D F Batchelor
Trustee

The Worshipful Company of Turners Charitable Trust

Independent auditors' report to the Trustees of The Worshipful Company of Turners Charitable Trust

Opinion

We have audited the financial statements of The Worshipful Company of Turners Charitable Trust (the 'Trust') for the year ended 31 May 2018 set out on pages 8 to 20. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees for our audit work, for this report, or for the opinions we have formed.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the Trust's affairs as at 31 May 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

The Worshipful Company of Turners Charitable Trust

Independent auditors' report to the Trustees of The Worshipful Company of Turners Charitable Trust

Other information

The other information comprises the information included in the Trustees' report, other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

The Worshipful Company of Turners Charitable Trust

Independent auditors' report to the Trustees of The Worshipful Company of Turners Charitable Trust

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

The Worshipful Company of Turners Charitable Trust

Notes to the financial statements For the year ended 31 May 2018

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

The Worshipful Company of Turners Charitable Trust constitutes a public benefit entity as defined by FRS 102.

1.2 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

1.3 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Awards and donations are payments made to third parties in the furtherance of the charitable objectives of the Trust. They are charged in the year in which payment is made.

Charitable activities include all expenditure incurred directly relating to the objects of the Trust, together with support costs as set out in note 5 to the financial statements.

Governance costs are those incurred in connection with administration of the Trust and compliance with constitutional and statutory requirements.

All expenditure is inclusive of irrecoverable VAT.

The Worshipful Company of Turners Charitable Trust

Notes to the financial statements For the year ended 31 May 2018

1. Accounting policies (continued)

1.5 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date using the closing quoted market price. The Statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1.6 Realised and unrealised gains and losses

All gains and losses are taken to the Statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of financial activities.

2. Income from donations

The Bursary and Competition Fund comprises cash funds allocated for the biennial Bursary Award and Turners Company's competition.

The Exhibition Fund had been created to provide funds towards the cost of the exhibition of turning which takes place every four years.

The Trust cannot make provisions for these cyclical events and so uses the mechanism of designating funds.

The St Paul's Appeal Fund has been created to provide funds towards the restoration of the bells at St Paul's Cathedral.

Summary of funds - current year
