

COMPETITIONS - OCTOBER 2021

GENERAL CONDITIONS OF ENTRY

Every two years The Worshipful Company of Turners organises turning competitions which attract entries from turners of all ages and skill. There should be a competition for you, whatever your interest or proficiency. The 2021 competitions coincide with the Company's 'Wizardry in Wood' exhibition from Wednesday 13th to Saturday 16th October at Carpenters' Hall in the City of London, and competition entries will form a major display within that exhibition.

Here's a summary of the categories. Each has a separate sheet on our website with further details, and an entry form. <https://turnersco.com/turning/turning-competitions-2021/>

Each piece to be accompanied by a note saying which competition it's entered for, the wood and finish, and if you think you need to, what the piece depicts. We'll match the pieces with your entry form and put all this

information on a card by your piece after the competitions have been judged. Put your name on each entry on the base. We'll put a sticky label on top of it so the judges can't see your name. Any questions, please contact Becca Baker in the Turners' Company office: 020 7236 3605 assistantclerk@turnersco.com

JUDGING

The Judges' decision shall be final and binding on all competitors. No prizes will be awarded if the best entries are considered by the judges to be of insufficiently high standard.

PRIZE-GIVING

Prize giving will be at Carpenters' Hall on Saturday 16th October.

SELLING

If you want to offer your piece(s) for sale, state the price on the entry form. The Company will manage a sales point at the exhibition and will remit the proceeds to you, less 15% commission which includes any credit card fee. As a general rule, sold items should remain on the competition tables until 4pm on Saturday 16th October. If there are costs for the Company in delivering the piece to the purchaser they will normally be met by the competitor as a further deduction from the sale price.

DATA PROTECTION

By entering this competition, you agree to the Company retaining your details for the purpose of contacting you with regards to related events and activities. We promise that we will not share your data with any third party for their marketing or fundraising purposes. We will keep your data safe and secure. You can request that we remove your details from our database at any time.

PHOTOGRAPHS

A condition of entry is that you grant the Company or its agents the right to photograph the entry/entries (the copyright of which shall belong to the Company) and to use the images to promote the craft of turning.

RETURN OF ITEMS

Pieces can be collected from Carpenters' Hall after 4pm on Saturday 16th October. If they're still there by 6pm they will be taken to the Company office and we'll contact you to arrange the return of your item(s). This doesn't of course apply to pieces that have been sold or to the first prize in those competitions where it is a condition that the piece is retained by the Company for its archive.

PHYSICAL SECURITY

The Carpenters' Company is responsible for the overall security of the Hall. The Turners' Company will arrange for additional security around the competition tables. Although entry to the Hall will be controlled, be aware that the exhibition is open to any member of the public and neither the Turners' Company nor Carpenters' Company can be held responsible in the unlikely event of a theft taking place.

PUBLIC OPENING TIMES

The Hall will be open to the public from Wednesday 13th October to Saturday 16th October from 1000 to 1600. For details of how to buy tickets, please visit the Company Website: www.turnersco.com

CATERING
