The Worshipful Company of Turners Charitable Trust

Trustees' Report For the year ended 31 May 2021

The Trustees present their annual report together with the audited financial statements of the charity for the year 1 June 2020 to 31 May 2021.

Objectives and Activities

a. Policies and objectives

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Main activities undertaken to further the charity's purposes for the public benefit

The Trust's principal aims are to promote the craft of turning and to support a range of educational, training and professional activities, often through the provision of lathes, tools and training on a long-term basis as well as supporting charities related to the City of London and the craft.

Achievements and Performance

a. Review of activities

In support of the craft, the Trust awards prizes in the form of money, medals and certificates to successful entrants in its biennial competitions with prizes of £10,485 being awarded across various classes. Prizes are also awarded to young students taking part in Youth Training courses jointly sponsored by the Association of Woodturners of Great Britain. The next competition was scheduled to take place in October 2020 but this has been postponed until October 2021 due to the COVID19 pandemic.

The biennial Bursary scheme continues to help talented turners achieve their professional aspirations and enhance their future career opportunities. Up to £11,000 is allocated between high calibre students who undertake 12 months of approved programmes of training, study and visits, and report to the Trust on their activities at the end of the year. The most recent bursaries were awarded to nine successful candidates in June 2019.

The Trust also organises demonstrations and exhibitions of the Craft around the UK, bringing it to the attention of the widest audience. Wizardry in Wood, the Trust's most prestigious exhibition, takes place every four years. The next exhibition was scheduled to be held in October 2020 but has now been postponed until October 2021 due to the COVID19 pandemic.

The Trust supports educational establishments, schools and charities including those catering for young people with special needs, learning difficulties and rehabilitation requirements. It also supports the teaching of vocational skills to injured and disabled armed forces personnel. Awards are also made to help aspiring turners develop their skills at Cockpit Arts, a business incubator for crafts people, and through scholarships awarded by the Queen Elizabeth Scholarship Trust (QEST) crafts charity.

Total expenditure on charitable activities by the Trust was £39,863 (2020: £40,596), comprising the traditional mix of craft awards and contributions to City of London and Armed Forces charities. As a result of the pandemic and the deleterious impact on professional turners, the Trust initiated the 'Turning for Good' initiative which provided funds to purchase turned items, providing a modest income for turners and stock for use for further charitable purposes. In addition, a number of grants were made to social and community organisations which were addressing deprivation arising from the pandemic in communities around London.

At the close of the year, the Trust sponsored an A level Student in an amount of £2,200 to take up a two-year engineering scholarship through the Smallpeice Trust. It is intended that this scholarship award will be continued in future years if funding permits, and that it will be styled as the 'Worshipful Company of Turners Lady Gertrude Crawford Scholarship' in honour of the distinguished ornamental turner and engineer who was made a Freeman of the Company in 1934.

The Worshipful Company of Turners Charitable Trust

Trustees' Report (continued) For the year ended 31 May 2021

Financial Review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies. The Trustees expect COVID-19 to have no impact on the operations of the charity.

b. Reserves policy

It is the intention of the trustees to distribute an amount approximately equal to the income each year and to manage held investments to provide a balance between future capital appreciation and income. Reserves held at 31 May 2021 are accordingly considered appropriate and adequate to support on-going activities.

c. Results

Income is received from investments, the covenants and gifts from liverymen and from contributions from the Turners' Company. The Trust is administered by the Clerk and the assistant Clerk to the Worshipful Company of Turners, whose services are charged to the Trust at the estimated cost to the Worshipful Company of Turners calculated by reference to time spent.

The result of the activities during the year was an increase in the Trust's assets of £88,199 reflecting a rise in the value of its investments, net of the balance of operating income/expenditure in the year.

d. Material investments policy

Investment powers are set out in the Trust Deed which permit the trustees to purchase and dispose of investments as they think fit and to delegate discretionary powers when they consider it appropriate. In support of the Trust's objectives, the trustees invest to achieve a balanced return between income and capital.

The performance of the investment portfolio, which at the balance sheet date consisted of investments in five collective funds, has been satisfactory and in line with budget.

Structure, Governance and Management

a. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

b. Organisational structure and decision-making policies

The Worshipful Company of Turners Charitable Trust is a registered charity (No.267372) constituted by a Deed of Trust dated 1 March 1974.

The Trustees are the Master, Deputy Master, Wardens and the Chairman of the Charity Committee for the time being of the Worshipful Company of Turners, appointed annually on Ascension Day in accordance with the Company's Charters.

The Trustees during the year are shown on page 1. Further administrative details are also set out on page 1.

The Worshipful Company of Turners Charitable Trust

Trustees' Report (continued) For the year ended 31 May 2021

Structure, Governance and Management (continued)

c. Risk management

The Trustees have assessed the major risks to which the Worshipful Company of Turners Charitable Trust is exposed, in particular those related to the operations and finances of the Worshipful Company of Turners Charitable Trust, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

The main form of financial risk faced by the Trust is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

Further Developments

The Trustees intend to continue to pursue their objectives of promoting the craft of turning through the Trust's biennial Competitions and Bursary awards, through exhibitions including Wizardry in Wood, and through the provision of training and education, particularly of young people.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 26 October 2021 and signed on their behalf by:

N A J H Luson
Trustee

The Worshipful Company of Turners Charitable Trust

Independent Auditors' Report to the Members of The Worshipful Company of Turners Charitable Trust

Opinion

We have audited the financial statements of The Worshipful Company of Turners Charitable Trust (the 'charity') for the year ended 31 May 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 May 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

The Worshipful Company of Turners Charitable Trust

Independent Auditors' Report to the Members of The Worshipful Company of Turners Charitable Trust (continued)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

The Worshipful Company of Turners Charitable Trust

Independent Auditors' Report to the Members of The Worshipful Company of Turners Charitable Trust (continued)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Capability of the audit in detecting irregularities, including fraud

The objectives of our audit are to identify and assess the risks of material misstatement of the financial statements due to fraud or error; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud or error; and to respond appropriately to those risks.

Based on our understanding of the company and industry, and through discussion with the directors and other management (as required by auditing standards), we identified that the principal risks of non-compliance with laws and regulations related to health and safety, anti-bribery and employment law. We considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Statement of Recommended Practice. We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to increase revenue or reduce expenditure. Audit procedures performed by the engagement team included:

- Discussions with management and assessment of known or suspected instances of non-compliance with laws and regulations (including health and safety) and fraud, and review of the reports made by management; and
- Review of cash expenditure to confirm no evidence of personal benefit; and
- Obtaining the independent experts' valuation for the investment properties and assessing the assumptions used to ensure the valuations are not overstated; and
- Confirmation of related parties with management, and review of transactions throughout the period to identify any previously undisclosed transactions with related parties outside the normal course of business.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

The Worshipful Company of Turners Charitable Trust

Independent Auditors' Report to the Members of The Worshipful Company of Turners Charitable Trust (continued)

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The notes on pages 12 to 23 form part of these financial statements

The Worshipful Company of Turners Charitable Trust

Notes to the Financial Statements For the year ended 31 May 2021

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Worshipful Company of Turners Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

1.3 Going concern

The Trustees have, at the time of approving the financial statements, a reasonable expectation that the Charity has adequate resources to continue in operational existence or the foreseeable future. They have also considered the on-going economic impact of the COVID-19 global pandemic, and consider this to not have a significant impact on the entity's ability to continue for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

The Worshipful Company of Turners Charitable Trust

Notes to the Financial Statements For the year ended 31 May 2021

1. Accounting policies (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Awards and donations are payments made to third parties in the furtherance of the charitable objectives of the Trust. They are charged in the year in which payment is made.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1.7 Realised and unrealised gains and losses

All gains and losses are taken to the Statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of financial activities.

1.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

The Bursary and Competition Fund comprises cash funds allocated for the biennial Bursary Award and Turners Company's Competition.

The Exhibition Fund had been created to provide funds towards the cost of the exhibition of turning which takes place every four years.

The Trust cannot make provisions for these cyclical events and so uses the mechanism of designating funds.

The Charity currently has not funds which are classified as restricted.
