Temple Bar London, next to St Paul's

First Floor Paternoster Lodge,
2 Paternoster Square,
London EC4M 7DX.

Despite its name, **Temple Bar London** is located some distance from the Temple area itself and now sits right next door to St Paul's Cathedral. The building itself is easy to spot, but getting into it is not quite as obvious:

1. Stand at the foot of St Paul's Cathedral main steps – looking towards the Cathedral
2. Turn left and Temple Bar is directly in front of you, next to the Paul coffee shop
3. The entrance to our venue is around the back of the Paul coffee shop on the Paternoster Square side and is labeled 'Paternoster Lodge'
4. Press the 1st Floor Intercom button shown on the image below
